**POSITION ANNOUNCEMENT - WECC  
Senior Trade Ally Manager**

We are Wisconsin Energy Conservation Corporation (WECC) - a national leader in energy efficiency and renewable energy services. Our organization has an immediate need for a Senior Trade Ally Manager.

The Senior Trade Ally Manager is directly responsible for the overall administration and success of Wisconsin Energy Conservation Corporation's (WECC's) Residential & Commercial Prescriptive and Retail programs Trade Ally efforts as mutually agreed upon with the Operations Director, Energy Programs. Success in this role will result in increased awareness and adoption of targeted energy efficient technologies, delivering on client goals related to energy savings, customer satisfaction and market development while staying within program expense and revenue budgets.

Qualified candidates will have a Bachelors degree and five (5) years experience of relevant preparatory work required, including: Sales and/or account team management, Project management, budget, staff supervision and retail exposure.

If you meet the above requirements and have an interest in energy efficiency, we hope to hear from you. Please visit our website at <http://www.weccusa.org> and apply online or send your resume to:
