

About MEEA

The Trusted Source on Energy Efficiency

We are a nonprofit membership organization with 160+ members, including:

- Utilities
- Research institutions and advocacy organizations
- State and local governments
- Energy efficiency-related businesses

As the key resource and champion for energy efficiency in the Midwest, MEEA helps a diverse range of stakeholders understand And implement cost-effective energy efficiency strategies that provide economic and environmental benefits.

Purpose

- Engage with a Broad Mix of Stakeholders about Energy Code Adoption, Enforcement, Compliance and Evaluation
- Share Information and Knowledge of Building Energy Codes
- Discuss Latest Trends/Activity
- Networking
