MIDWEST

BUILDING ENERGY

CODES

CONFERENCE

VIRTUAL OCTOBER 20-22

Welcome to the Midwest Codes Conference!

Housekeeping

- Registrants will receive an email with Zoom links each morning
- All sessions are being recorded and will start promptly at the scheduled time so plan accordingly
- Recordings and slides will be made available after the conference
- Questions and comments are encouraged – please leave all questions in the chat box (except for discussion sessions).
- Please make sure your microphone is muted during sessions, unless you are speaking during the Q&A part of the panel
- Contact Crystal Egelkamp at cegelkamp@mwalliance.org with any logistical questions

Day Two Agenda

- Sessions Start at 10am and 2pm
- Informal Discussions: 12:15-1pm
**Separate registration required!*
- Columbus Data Jam:
Wednesday, 10/21, 11:30 am-1pm
**Separate registration required!*

Session 3

If You Don't Measure it, You Can't Manage it: The Benefits of Benchmarking

**Jenna
Tipaldi**

Climate
Advisor to

Midwest Benchmarking

Mandatory City Policies

- St. Louis, MO – ordinance passed
 - January 30, 2016
 - City-owned buildings and privately-owned buildings 50,000 sq.ft. and larger
- Evanston – ordinance passed
 - December 12, 2016
 - City-owned buildings and buildings over 20,000 square feet (besides small condos)
- Des Moines – ordinance passed
 - June 2019
 - Commercial and multifamily buildings over 25,000 square feet

Midwest Benchmarking

Mandatory City Policies

- Edina, MN – ordinance passed
 - June 4, 2019
 - City-owned buildings and commercial and MF buildings over 25,000 sq. ft.
- St. Louis Park, MN – ordinance passed
 - December 12, 2019
 - City-owned buildings and commercial and MF buildings over 25,000 sq. ft.
- St. Paul, MN – ordinance passed
 - January 21, 2020
 - City-owned buildings and commercial and MF buildings over 50,000 square feet
- Columbus, OH

Midwest Benchmarking

State Efforts Examples

- MN – State buildings reduce energy consumption by 20%. Each agency must maintain its consumption data in the [B3 Energy Benchmarking tool](#).
- NE - Nebraska's Administrative Services' Building Division benchmarks all existing state facilities using ENERGY STAR Portfolio Manager.
- IL – State buildings have a goal of a 20% energy reduction from 2009 by 2020 for state facilities, including energy tracking.

Questions?

Please type your questions into the Q&A box or the chat box

Day Two Agenda

- Columbus Data Jam: 11:30 am-1 pm
**Separate registration required!*
- Informal Discussions: 12:15-1 pm: *Net Zero Buildings*
** Register: <http://bit.ly/MWCodes2>*
