

# MEEA Position Announcement

## *Policy Associate*

### Organization Overview

At the Midwest Energy Efficiency Alliance (MEEA), we leverage our unique position as the Midwest's key champion and trusted information resource on energy efficiency policies and programs to help our members and stakeholders identify, understand and implement cost-effective energy efficiency strategies that provide economic and environmental benefits. As a collaborative network and an influential membership organization spanning thirteen states, we provide a professional forum where energy providers, policymakers, implementers, manufacturers, advocates, and other stakeholders can make connections, seek advice and learn about energy efficiency. With our dynamic annual conference, MEEA plays an important role in forging partnerships, promoting new technologies and curating the evolving conversation around economic sustainability and environmental stewardship from energy efficiency.

### Position Summary

The Policy Associate plays an integral role in advancing MEEA's policy activities at the local, state and regional levels. The position will conduct research and analysis on best practices in energy efficiency program design and policy.
