

NMR Seeks Senior Staff Member

NMR Group, Inc., a leader in energy-efficiency evaluation and market research, seeks an industry trailblazer to help develop new areas of expertise and expand our current capabilities.

Areas of interest include any combination of the following:

- Statistics, including modeling, billing analysis, and sampling
- Strategic electrification
- Electric vehicles
- Demand response
- Advanced metering infrastructure
- Environmental sustainability and climate action planning
- Overall evaluation expertise
- Business development

NMR is 50% owned by an Employee Stock Ownership Plan and expects to be 100% employee-owned in the next few years. We promote ownership culture at all levels of the company and have policies and benefits to promote employee well-being. *We are looking for cooperative team players. We value achievement, and also desire employees who will be committed to the company as a whole.*

If you are interested in joining NMR, have at least ten years' experience in research or evaluation in the energy industry, and believe you can contribute at a high level, please email your resume and a cover letter to Lynn Hoefgen, President of NMR, at lhoefgen@nmrgroupinc.com.
